

	go in there.”
At :29 fireman carries bird cage (01:04:26:00)	However, a short time later, the evacuated residents WERE allowed back in – but just for 15 minutes to collect their valuables and anything else they could carry. For some, it was a frantic job.
At :41 man carries water & bag (01:08:10:00)	----- NAT SOT; (Man grunts for :02) -----
At :43 boy picks up bag (01:04:50:07)	Most of those evacuated have decided to stay in their cars for the night, or live temporarily with friends or family
At :50 man carries box (01:05:14:00)	–although the Red Cross has set up a shelter at a neighborhood school.
At :54 faces of women & kids (01:05:36:00)	But even though most have a place to spend the night, no one could tell them when or if it would ever be safe

	to return to their home.
<p>At 1:03 SOT</p> <p>(01:07:34:20 – 01:07:55:00)</p> <p>SUPER: Marta Portillo/Resident</p>	<p>IN CUE: “Do you think you will...</p> <p>OUT CUE: ...because our thing is broken – everything.”</p>
<p>At 1:23 dissolve to apts – pan to hill</p> <p>(01:05:56:00)</p>	<p>The cause of the slide is believed to be related to construction at the bottom of the hill.</p>
<p>At 1:28 CU steel beams, zoom out to workers walking</p> <p>(01:06:15:00)</p>	<p>Workers had driven steel beams to support the hill for a new condominium complex. But the effort didn’t work.</p>
<p>At 1:35 man carries box, follow him to see other people packing</p> <p>(01:06:36:19)</p>	<p>And now many residents say they aren’t sure they EVER want to return, even if the hill and their apartments are eventually declared safe.</p> <p>This is David Dow reporting.</p>
