FYI:

Here's an alternative from Pat Dean! Cheers!

**Carpel Video
1-800-238-4300**

Students get a special rate for dubbing resume reels to VHS tapes. Call Carpel directly and identify yourself as a USC Annenberg Journalism School student. (Carpel is located in Maryland.)

The price quoted will cover dubbing, tape stock, laser printed labels and a cardboard case.

The cost of dubbing a digital tape to VHS is \$2.75 per dub, plus shipping (\$10 for shipping 20-25 dubs). (This was the price last year, so students should double check the rate.)

DVDs: for students: \$19.95 – 1st copy, then \$5 each thereafter, will include a jewel case. For “Amaray case,” you can add insert, add 30 cents each, shipping of 20 DVDs and all back to California, estimate additional \$10.
